

BULLYING PREVENTION AND INTERVENTION PLAN GOALS

Name of School: St. Francis School

Sudbury Catholic District School Board is committed to ensuring that all our school environments are ones of respect, dignity and trust, consistent with the Gospel Values. Bullying fails to respect the dignity and value of all individuals involved. Accordingly, the Board believes that all forms of bullying are unacceptable behaviours.

School Goals:

Key Issues of Concern/ Highlights	School Bullying Prevention and Intervention Goal(s)	Next Steps (Bullying Prevention and Intervention Strategies)
<ul style="list-style-type: none"> Defining the difference between conflict & bullying. Spill over from conflicts in the community outside of school hours. Inappropriate use of social media, outside of school hours. Out of school bullying issues can affect our student's well-being and academic performance during the school day. 	<ul style="list-style-type: none"> Everyone feels respected, valued, welcomed and safe. Ensure students have an active voice in their education. Ensure students know who to support each other and what to do when they experience or witness bullying. 	<ul style="list-style-type: none"> Continue contact and partnership with GSPS School Resource Officer. Maintain home/school communication. Continue in school programming about kindness, bullying education and prevention. Engage Catholic School Council in planning for student learning. Classroom Kelso's Choice lessons and small group conflict resolution programming. Continue community partnerships with: <ul style="list-style-type: none"> COMPASS Public Health Sudbury & Districts EarlyON Child and Family Centre Jubilee Heritage Daycare.
