STUDENT SAFETY AND SECURITY
PARENTS/GUARDIANS AND VISITORS

In the interest of safety and to prevent interruptions to classes, Board policy states that all parents/guardians and visitors must inform the main office of their presence in the school. Parents who pick up their children at dismissal must wait in the lobby or office area (unless access to the school is denied e.g., due to COVID-19 protocols etc.) This policy is in place to ensure the safety of all our students and to avoid confusion and disruption in the classroom. Please note that ALL entrances to the school are always locked. Anyone wishing to enter the school must utilize the "buzzer system" to gain access. All visitors are requested to sign in and may be asked to wear identification badges. If a parent/guardian is dropping something off for their child or a teacher, it may be left at the office. Parents/Guardians must give the office consent for all visitors wishing direct contact with their child, this includes siblings not attending St. Francis School. Following these procedures contributes to the safety and security of the school community.

ATTENDANCE/SAFE ARRIVAL

Parents and guardians are responsible for their children's safety. St. Francis School has a Safe Arrival Program that monitors the attendance of every student at the start of the school day. When a student will be absent or late, it is the responsibility of the parent/guardian to notify the school of the reason. Therefore, if your child is to be late or absent, please inform the school office before 8:30 a.m. We are required by law to account for any pupil's unexplained failure to arrive at school. The preference is to inform the office through Edsby (this allows both the office and the teacher to be informed). Both Edsby and calling allows you to inform the school at any time to leave details about your child's attendance. Please leave your child's full name and grade.

REQUEST FOR TEMPORARY EXCUSAL

This process is to be used by a parent/guardian (or student 18 years of age or older) requesting the temporary excusal of a student due to a reason such as a (vacation). It is not to be used for medical reasons – a medical note must be provided for those absences.

LATENESS

Lateness is considered another form of absence, especially if it is habitual. If your child must arrive late, please call and provide a reason. When students are late, they are to report to the office before going to class. Habitual lateness, particularly unexplained tardiness, will be treated seriously.

EDSBY

In 2023 St Francis, along with all schools in the Sudbury Catholic District School Board, moved to a parent/guardian communication tool called Edsby. Families can access this digital tool through a website browser or a free app. The browser and server needed to gain access is www.scdsb.edsby.com

COMMUNICATION

Close connections between home and school are essential to establishing a positive school climate. It is our goal to keep families informed of what is happening at St. Francis. A monthly newsletter and calendar will be posted in Edsby each month. Most communication will be posted in Edsby to family members. Please be sure to check often and change your notification settings so that you are advised when new information is posted. Other ways to see what is happening at St. Francis include:

Facebook: @stfrancisflames

Individual teachers will advise of their preferred method of communication.

Sometimes informative notes requiring parental authorization for events such as: field trips, mass celebrations, sacrament dates, school activities and volunteering will be sent home. Please sign and return these notes to ensure your child's participation.

LOST & FOUND

Unclaimed articles, except jewelry and electronics will be placed in the lost and found container located outside the gymnasium. Please have your child check regularly!

HOMEWORK

Homework provides students with the opportunity to reinforce and extend in-school experiences outside of the regular school day. Parents/Guardians share with teachers the responsibility for the educational success of their child(ren) and should actively participate in the child's learning process. Homework is an ideal opportunity for parents to become actively involved in their child's education. Homework in the form of completing assignments and review of schoolwork is an integral part of education. Homework should not be excessive – please contact your child's teacher if he or she seems to have excessive amounts of homework on a regular basis.

Parents/Guardians are encouraged to:

- sign and return forms or projects as requested by the teacher
- provide help and monitor completion
- recognize that the completion of homework activities is integral to school success

ADMINISTRATION OF MEDICATION

The Sudbury Catholic District School Board has a clear policy regarding the administration of medication to students. Listed are a few guidelines:

- The principal or his/her designate will administer the medication for student use - only after written authorization on a SCDSB Form has been obtained from the parent/guardian and/or a physician.
- All medication must be turned over to the main office for proper storage, unless carried by student as per treatment plan e.g., auto injector, puffer, etc.
- Records are maintained regarding dosage, method of administration, and storage.
- All medication must be submitted in its original prescription container with the child's name on the prescription container.
- Non-prescription medication will **not be administered** unless accompanied by a doctor's note indicating dosage.

Only send the required dosage of medication to school. Ask your pharmacist for two separate containers of medication if possible. One container for home and one container for school. THE SCHOOL WILL MAKE EVERY REASONABLE EFFORT TO ADMINISTER MEDICATION ON TIME TO YOUR CHILD. HOWEVER, SITUATIONS DO ARISE THAT MAY CONFLICT WITH THE TIMING OF MEDICATION. THE SCHOOL IS NOT RESPONSIBLE FOR MEDICATION TRAVELLING BETWEEN HOME AND SCHOOL. If possible, time the administration of medication when your child is at home.

IMMUNIZATION

For children attending school, the law in Ontario requires a written immunization record or proof of immunization. Incomplete immunization records can result in suspension from school on order of the Medical Officer of Health. For more detailed information contact Public Health Sudbury & District @705-522-9200.

PREVALENT MEDICAL CONDITIONS

As primary caregivers of their child, parents are expected to be active participants in supporting the management of their child's medical condition while attending school. At minimum parents should: educate their child about the condition, guide their child to reach their full potential for self-management and self-advocacy, duly inform the school of the condition(s) and co-create and maintain the Plan of Care for their child with the principal or designate. Please contact the school directly for the appropriate medical forms.

Epipen - the school board has a policy for the administration of an Epipen. Upon registration, children with life-threatening allergies **must have a form completed** by parents/guardians. A waiver shall be

signed allowing the child to use the EpiPen when necessary. Students with severe allergic reactions should be wearing a medic alert bracelet or necklace clearly identifying his/her allergy and carry their EpiPen with them at all times. ****School staff will be made aware of ALL students requiring an EpiPen and the emergency procedures associated with its use.****

CONCUSSION

Concussions can only be diagnosed by a medical doctor or nurse practitioner. Any student with a diagnosed concussion, **shall** have a "return to learning and/or physical activity" plan to assist a student return to learning/play. Please contact the school directly for the appropriate medical forms.

PEANUT/NUT-CONTROLLED ENVIRONMENT

We have several students who are highly allergic to peanut/nut products, and this can potentially lead to severe and life-threatening reactions. For the safety of all children, parents are asked to refrain from sending peanut/nut products to school. Please seek approval from your child's classroom teacher prior to sending food or beverages to school. Wow butter is not allowed to be sent to school.

CORN AND OTHER FOOD ALLERGIES

We have students who are allergic to corn and other food products. It is vital you seek approval from your child's classroom teacher prior to sending food or beverages to school. We ask families to help their child understand that we do not share snacks or lunches with others as this is one of the best ways to keep everyone safe.

LEAVING SCHOOL DURING THE SCHOOL DAY

To be excused from school, students must present a note or parents need to inform the office through Edsby or a phone call explaining the reasons(s) for being excused. The message must be given in the morning. If a student is being picked up during school hours, parents must report to the office, and the student will be called to the office. Once a student arrives at school, they may only leave school grounds with permission from the office. **Students who eat lunch at school are NOT ALLOWED to leave school property.** For example: students are not allowed to leave school and walk to the store or a fast-food restaurant to pick up a snack or lunch.

PICKING UP AND DROPPING OFF STUDENTS – End of Day

Please make sure to contact the school BEFORE 2:00 p.m. if you are making changes to your child's regular end of day routine (e.g. picking up etc...). If you call after this time, we can not guarantee that the message will be relayed to your child on time. If you are picking up your child early please do it by 2:30 or wait until the end of the day dismissal.

EMERGENCY SCHOOL CLOSING

On extremely rare occasions, circumstances may lead to an emergency school closing. Please make arrangements with a relative, neighbour or friend so that your child has an alternative place to go if you are not available.

BUS TRANSPORTATION

Transportation is provided through the Student Services Consortium. Guidelines are available on their website. The Consortium establishes the parameters, including collector points for each bus route. As a rule, please note the following:

1. **Bus transportation is a privilege, not a right.**
2. Students eligible for transportation must live in a transportation zone.
3. Only authorized students may ride on their approved bus route. Students are not permitted to ride on a different bus. E.g., take a friend's bus home etc.
4. To ensure the safety of FDK students, it is required that when they are delivered to the regular drop off point, a responsible adult meets the child.
5. Bussed students must have a note or families have called the office if not taking the bus. A note/message must be dated for each day a student does not take the bus.

TRANSPORTATION/BUSING

Bus drivers are responsible for the safe transport of our children to and from school. Parents are urged to stress the necessity of appropriate behaviours while riding the bus. Please note that should a student's behaviour on the bus become a safety hazard, transportation privileges may be suspended or revoked. Pupils excluded from buses must make their own transportation arrangements. Students and parents are reminded that buses are assigned to individuals and that once a bus is assigned the student must take the bus for the year. Remember riding a bus is a privilege, not a right.

CONSORTIUM INFORMATION

The Transportation Consortium's website is **www.businfo.ca**. This site will provide information on the status of a bus, announcements, delays and procedures. You may also refer to this site concerning inclement weather announcements. If there are any changes to be made regarding bussing, parents are asked to notify the Transportation Consortium directly at 521-1234 or at www.businfo.ca. **Please review the Bus Regulations & Conduct** located on the consortium website.

BUS CANCELLATION DUE TO SNOW DAYS, ETC.

Kindly note that parents/guardians are required to call the school even if bus transportation is cancelled due to snow days, etc., as the school remains open. We are required by "Safe Arrivals" protocol to verify the whereabouts of children who fail to arrive at school, regardless if buses are running or not. The best way to do this is through Edsby.

ALL BUS INQUIRIES SHOULD BE DIRECTED TO THE SUDBURY STUDENT SERVICES CONSORTIUM @521-1234 OR BY VISITING www.sssc-cses/english

LUNCHROOM EXPECTATIONS

Students will eat lunch in their classroom and will be supervised by a shared lunchroom supervisor. Students are expected to be responsible in their behaviour as well as clean up after themselves. Repeated disruptive or disrespectful behaviour may result in their removal from the classroom setting and/or reassignment in an alternate classroom.

PROGRESSIVE DISCIPLINE AND PROMOTING STUDENT BEHAVIOUR

A positive school climate is a crucial component of promoting positive student behaviour, and St. John School recognizes the distinctive expectations for Catholic students as an integration of body, mind and spirit. In addition, St. John School actively endorses a variety of programs and activities that focus on healthy relationships, inclusive and equitable learning environments, character education and positive peer relations.

Progressive discipline is a whole-school approach that utilizes a continuum of interventions, supports, and consequences to address inappropriate student behaviour and to build upon strategies that promote positive behaviours.

When inappropriate behaviour occurs, disciplinary/corrective measures may include but are not limited to the following: an apology to the victim, reprimand, warning, detention, loss of privileges, reflection (think sheet), contact with parents via tracking sheet/phone call/Edsby message/person-to person meeting, removal from class, referral to counseling as available, restitution, development of a behaviour plan, conflict mediation (school and/or police), volunteer service, peer mentoring, suspension, and expulsion.

Bullying occurs in a context where there is a real or perceived power imbalance. (PPM#144, Ministry of Education) *Bullying-We can all help to stop it...*

St. Francis School has an active school-wide bullying prevention and intervention plan that contains components of the following: definition of bullying, prevention strategies, intervention strategies, reporting and responding requirements, training strategies, communication and outreach strategies, and monitoring and review processes.

VOLUNTEERS

Volunteers are a welcomed resource in our school and assist in a wide range of activities and services. Please know that the SCDSB requires all volunteers to complete a Criminal Reference Check including Vulnerable Sector Screening; and thereafter, an annual Offence Declaration. The principal retains the authority to accept or decline any volunteer's offer of service. The principal will determine the best "fit"

for volunteers' placements. It remains the sole and unfettered discretion of the Board to deny volunteer opportunities to individuals when an individual may pose risk to student or staff safety.

RELIGIOUS ACCOMMODATION

St. Francis School is committed to the values of freedom of religion and freedom from discriminatory or harassing behaviours based on religion and will take all reasonable steps to provide religious accommodations within the legal rights afforded to the Catholic school system. Such accommodation will be provided to students and their families. ACCESSIBILITY STANDARDS FOR CUSTOMER SERVICE

In compliance with the Customer Service Standard (Accessibility for Ontarians with Disabilities Act), please advise the school if you require assistance to access the facility or any other type of assistance.

DISPUTE RESOLUTION- HOME/SCHOOL COMMUNICATION

It is our belief that a close working relationship among the partners in education, the home, the school, and the church is essential to foster and maintain a Christian community. While encouraging each partner to carry out his or her proper role in the school community, it is recognized that differences of opinion and problems may arise from time to time.

1. Complaint and Teacher: Handle the problem as soon as possible. If possible, call the school and arrange a personal interview with the teacher to discuss the problem and attempt to resolve the matter at this stage.
2. Complaint and Principal: The second contact should be to involve the Principal or Vice Principal directly if the two parties fail to resolve the matter.
3. Complaint and Superintendent: The third contact should be the Academic Superintendent responsible for your school.
4. Appeal to the Board: A complainant may take the matter to the Board if the problem is not resolved satisfactorily at the Director's level.

FIRE EVACUATION/LOCKDOWN

As per Board policy, St. Francis School is required to conduct three fire drills and one lock-down drill prior to Christmas Break and three fire drills and one lock-down drill prior to the summer break. Participation in drills is mandatory, as they are conducted to properly prepare students and staff for a possible emergency.

EVACUATION PROCEDURES

The signal for an evacuation practice is a continuous, loud ringing. As soon as a student hears it, they must stand, walk in a single file without talking, and leave the building by the closest exit. Staff will direct students, and all students must listen carefully to staff members. Evacuation practices are required by law and are conducted to prepare students and staff for the safe evacuation of all from the school. Evacuation practices occur a minimum of six times each school year.

The school has policies in place in case there is an event that makes it necessary for us to evacuate the school area. The designated spot we will walk to is The Our Lady of Hope Church. If this is necessary, we will communicate with families through our social media (FaceBook Page) and we will have emergency phone call logs that we will use to contact all families. Our immediate concern will be to ensure the safety of the students before we have time to communicate with those outside our school.

LOCKDOWN PROCEDURES

The Principal will announce to the school community through the P.A. system: "Attention, all students and staff, this is a security alert. We are implementing our school lockdown procedures". Students will be directed to remain in their classroom or nearest classroom with the door locked. Absolutely no one will be permitted to enter or leave the school until the lockdown directive is lifted by the Principal or Greater Sudbury Police.

STUDENT DRESS CODE

St. Francis Catholic School dress code is aligned with the Provincial Code of Conduct and the Board's mission/vision and Catholic social teachings. Therefore, students must come to school every day prepared to learn. Clothing and footwear must be appropriate and neat for the school setting and activity.

St. Francis Catholic School respects students' rights to express themselves in the way they dress. All students who attend St. Francis Catholic School are expected to respect the school community by dressing appropriately for a K-6 educational environment. Students must come to school every day prepared to learn.

Minimum requirements:

Clothing must

1. cover the groin, buttocks and nipples with material that is not see-through or transparent;
2. include more than underwear as the only layer of clothing;
3. include footwear with consideration for health and safety;
4. ensure that the student's face is not fully obscured;
5. not include wording or graphics that reasonably could be construed as promoting or symbolizing hate or discrimination, drugs, alcohol, tobacco, Cannabis, weapons, illegal activity, profanity, nudity, pornography; or that incites violence or harassment; or threatens health and safety.

Students who do not adhere to these guidelines will not be allowed to attend class. Parents will be called if appropriate clothing is not available or the student refuses dress-code appropriate clothing.

St Francis follows the SUDBURY CATHOLIC DISTRICT SCHOOL BOARD (SCDSB) CODE OF CONDUCT which can be found at <https://www.sudburycatholicschools.ca/wp-content/uploads/2021/10/2.-Appendix-A-Code-of-Conduct.pdf>

USE OF LOCKERS

Students shall keep a clean and respectable locker. Combination locks only are not permitted for students. Lockers are the property of St. Francis and can be accessed by administration at any time.

STUDENT USE OF PERSONAL ELECTRONIC DEVICES (PEDs)

As a general rule, *NEW in 2024* All elementary (K-8 students) are to refrain from using cell phones during school time. Cell phones that come to school are to be kept in lockers or the office has a drawer they may be left in. Students who break this rule will follow progressive discipline starting with a reminder.

Personal mobile devices are only to be used during instructional time for educational purposes, as directed by an educator; for health and medical purposes; and/or to support special education needs. Students and their parent/guardian shall sign a Student Responsible Use of Information Technology Agreement prior to the student bringing in any PED, accessing the Internet or any Board owned technology.

Electronic devices will not be used during lunch, recesses (indoor or outdoor), or at entry and dismissal. The school does not assume the responsibility for personal mobile devices brought to school.

FILMING AND/OR RECORDING BY STUDENTS/PARENTS/GUARDIANS/VISITORS

The filming and/or recording of meetings (including phone calls), events or any other school related activity is not permitted without the express consent/permission of the principal or principal designate.

STUDENT USE OF SMALL APPLIANCES

Only appliances related to the programming needs of the students will be allowed in student spaces e.g., classrooms, gathering space, gymnasium, resource rooms etc. Appliances such as, but not limited to, space heaters, microwave ovens, toasters, ovens, kettles, coffee makers, toaster ovens, fridges, water coolers, hot plates, etc., not required for the delivery of curriculum or medical needs are not permitted for personal use. While the benefits of hot meals, drinks and snacks sounds appealing, the potential dangers far outweigh any benefits.

SCENT- REDUCED ENVIRONMENT

St. Francis School is asking for voluntary cooperation towards a scent-reduced environment. Students and visitors are encouraged to avoid or reduce the use of products with fragrance. We recognize the right to personal choice; however, the air space is shared, and chemicals released into the air can trigger health reactions (e.g., headaches, asthma attacks, altered behaviour, etc).

SCHOOL NUTRITION & HEALTHY EATING

Research shows that good health is a prerequisite for good learning. It is also a vital component of children's growth and development. Roughly 1/3 of a child's daily food intake occurs at school and we ask that families provide their children with daily lunches and snacks that reflect a balance of nutrition according to Canada's Food Guide.

SMOKING/E-CIGARETTES/VAPOURS

Smoking, e-cigarettes, and vapours are not permitted on school property or at any school related event.

FIELD TRIPS & SCHOOL RELATED ACTIVITIES/FUNDRAISING TO HELP PAY FOR TRIPS

The opportunity to participate in a field trip or school related activity will not be withheld because of an inability to pay. Every reasonable attempt will be made to include students; however, the principal reserves the right to deny student participation. Teachers will ensure appropriate schoolwork is available and that supervision is arranged for students who remain at school. All proceeds raised through the sale of products to support a student's field trip are not the property of the student and/or parent and remain solely the assets of the Sudbury Catholic District School Board.

MANAGING ILLNESS AT SCHOOL

Sick children are very uncomfortable at school. If your child is ill, please keep them home to recover. When a child complains of feeling ill every effort will be made to send them home. It is imperative that arrangements are made with a relative, friend or neighbour in the event that parents are not available to care for a sick child.

Use of the **FAMILY INFORMATION FORM** to record the name and telephone number of emergency contacts is extremely important. **Three names other than yourself MUST be provided.**

If your child reports they are ill, the office will contact the home to make arrangements to have your child picked up. We do not have the resources available to care for children who are sick. If your child is not well enough to participate in the regular routine of the school day, including recess, please keep your child at home. To help reduce the spread of infection in schools, Public Health Sudbury and District requires the following infection control protocol for schools (list is not exclusive, common examples only):

COVID-19	See most recent on-line COVID-19 screening tool for Ontario schools
Chicken Pox	Can attend if they have NO fever - regardless of rash
Impetigo	24 hours after antibiotic treatment prescribed by a health care provider is taken
Diarrhea	Will be sent home after 2 cases of Diarrhea. Must be 48 hours symptom-free
Influenza	Will be sent home if student throws up. Keep at home until fever is gone (on average six to seven days will stop spread)
Norovirus	Must be 48 hours symptom-free
Whooping Cough	With treatment: no school for five days, Zero treatment: no school for 3 weeks
Pinkeye	Will be sent home if pink eye is noticed with discharge. May return 24 hours after antibiotic taken (must not have discharge or pus)
Ringworm	No school until treatment has started
Scabies	No school until 24 hours after treatment has been completed
Scarlet Fever	No school for at least 24 hours following antibiotic treatment
Strep Throat	No school for at least 24 hours following antibiotic treatment
Vomiting	Must be 48 hours symptom-free

HEAD LICE

Parents or guardians of children with head lice should inform the school that their child has head lice. The school will let families know when there is a case of head lice and provide information about diagnosis and treatment. If your child shows signs of infestation, please treat promptly. If you need further information, visit your family doctor, a local pharmacy or contact Public Health Sudbury & Districts @ 705-522-9200.

CUSTODY

Should a custody issue regarding your child come about, it is imperative that a copy of the court order(s) be provided to the school for enclosure in the student's file. Custody is a legal issue. If a court order does not exist, or if the school has not been officially made aware, then by virtue of the Children's Law Reform Act, both parents will be deemed to have equal access.

FAMILY INFORMATION

Please ensure the information we have on file for your child is accurate and up-to-date. Please contact the school immediately if changes occur (e.g., phone #, address, health concerns, custody etc.

CATHOLIC SCHOOL COUNCIL

The St. Francis Catholic School Council is made up of parents, guardians, staff representatives, parish and community representatives and the principal/vice-principal of the school. The council is responsible for:

- fostering parental and community involvement in education;
- participating in the school improvement planning process; and
- advising principal, school boards and the Ministry of Education.

Our school council is Christ centered, formed by the relationship between home, school and parish. School council puts into action the tradition of recognizing parents as the primary educators of their children and being the guiding force behind the formation of a sense of school commitment.

Please consider a nomination for a position on School Council. Your participation will make a positive difference in your child's education and in the life of our school. Elections are held in September. For more information on being nominated, please contact the school at 705-674-0701.
